## *What Our Visitors Have to Say...*

“

I visited Kielder Birds of Prey centre with my parents and had the best time! I got to meet the little Owl called Tilly and also got to hold a Vulture, he was very flappy! Ray was really helpful and told me lots of facts about the birds and how they live. He also got one of the birds to perform a magic trick for

”

me. I can't wait to return one day. *Ryelle Kent, Age 7*
