VE Day 80 Years On

With the 80th Anniversary of VE day coming up on the 8th May, we'll be encouraging children to reflect on this significant day. Children are invited to bring in a picture or a drawing of a family member or family friend who was affected by, or played a part, in WW2. Children can write a sentence or two to go with their picture if they wish. These will be added to a reflection board in school which will be the focal point for our discussions and commemorations.

Please hand contributions to class teachers by Tues 6th May.
