Movie Review

The Simpsons Movie

The movie is about the town of Springfield, their lake is polluted with garbage so they make a plan to clean the lake. They clean out the lake but Homer Simpson throws garbage in the lake so the government executes a plan. They put a dome around Springfield so the town of Springfield find out that it's Homer Simpson so they swarm his house, the Simpsons escape through a sinkhole and they are out of the dome. But they are

wanted by the government and they flee to a motel. The family get sent back to Springfield but Homer doesn't so he saves them and him and Bart save the day.

I like this movie because it is very funny but the cons are that the jokes take too long to proceed. It is a seven out of ten in my opinion.
