

Tuesday 21st April:

Here is today's little ditty to read together... but check out the green words on page two first! There's a new sound to learn...

Tricky word: *hole*

Let's **have some** fun in our
garden.

We can plant **some** seeds.

I will plant the peas and **you**
can plant **the** corn.

Dig a little hole, pop in **the**
seed.

Soon **they** will grow.

Notes to parents: I don't expect the children to be able to read the tricky words straight away but if you've looked at them together before you start to read, the children should be able to get them in context. Once you've read a few times you can have a go at writing today's 'hold a sentence'...

I will plant the peas.

The extension sentence if you want it...

Soon they will grow.

When writing, don't forget to encourage the children to use their neat writing, leave finger spaces and sound out their words. Happy reading and writing to you all!
