How to get a ticket

Since COVID-19 we have had to protect our staff so to book a ticket you must book a ticket in line and you can not purchase them at the front gate. We also have staggered time slots with less tickets going out so we can maintain social distancing. You can make a booking up until each time slot begins depending on availability. The Castle will be open from 10.00am to 4.00pm daily with time slots available every 10 minutes. The last entry slot of the day is 2.30pm. It is vital that all members of your group, including children, have a valid ticket to ensure that they are included within that capacity. So we do keep safe We ask you to only come with members from your home or support bubble.
