

Spring Term Family Learning

A Musical Adventure to Brighten and Cheer!

Week 2 : *Africa! By The Pearl of Africa Choir*

The Pearl of Africa Choir are firm favourites of ours at Swansfield. They have visited our school two times. Their visits are so lively that they are impossible to forget! This is one of their favourite songs. It's full of *energy* and *bounce!*

This piece of music begins with an *acappella* section. This means that the singers are not accompanied by any instruments.

The only instrument that plays in this piece is the *djembe* drum. However, the singers also use their voices to make some *percussive sounds*. Can you hear these?

We hope you enjoy listening to this piece. Some of you may remember hearing it before. Maybe you could make a drum or use some kitchen equipment to make drums to play along with. Maybe some of your family could play drums while others dance and sing.

Here's the link you need:
