

# Primary PE Funding

Intent for 2021/2022

PE and Sports Premium

Under the Primary PE and Sport funding initiative, in 2021/22 we will receive £18,700 to support PE and sport in our school. The impact of the funding must be considered in terms of these 5 key indicators:

- The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- The profile of PE and sport is raised across the school as a tool for whole-school improvement
- Increased confidence, knowledge and skills of all staff in teaching PE and sport
- Broader experience of a range of sports and activities offered to all pupils
- Increased participation in competitive sport.

We propose to spend this money in the following ways:
