

Activity 1

Should we ban plastic?

Use this sheet to help you construct a balanced argument for and against plastic

Introduction (You don't need to include the introduction subheading in your final draft)

At the moment, plastic pollution is a hot topic. There is a big debate currently taking place about whether we should get rid of plastic all together. This argument will look at the reasons for and against the use of plastic.

One good thing about plastic is.....

Activity 2

Edit your work by checking:

- Spellings (use a dictionary or the internet to look up unknown words).
- Capital letters and full stops.
- Commas for fronted adverbials.
- Apostrophes for contractions and possession.
- Adventurous vocabulary (use a thesaurus or the internet to find more ambitious vocabulary).
- Have you got more than one sentence in each paragraph? Can you add extra detail use 'because' to extend sentences?
