16TH SEPTEMBER  
2024

## Last week's round-up

Our LKS2 geographers headed out into town for their fieldwork sessions to compare Percy Terrace with Fenkle Street. It was very encouraging to hear the children speaking like geographers as they used their precise vocabulary to explain their findings.

Rowan and Larch friends enjoyed their trips to the town library and their class bookshelves are now replenished with some exciting new titles.

Thank you to all in KS2 for getting to school for an 8.30 start - those extra minutes are being well used and classrooms are in full swing by 8.35!

See you all in the week,  
Mrs G

## Secret Head teacher spots...

Thank you to Olivia in Maple class, I've noticed the care you take in all that you do. Your help in making our lunch hall a pleasant place to eat and chat with friends is much appreciated.

Oak Class friends... I love your Oak Tree and the promises you've made to make your class a great place to learn.

## What's on this week

Sycamore Class will be heading to the town library on Wednesday.
